

**Personal Statement
from a TSSA member
standing for position of
Equality Rep**

MICK JONES AS TSSA EQUALITY REP

I would like to be elected into the role of TSSA Equality Rep because I have done some good work in raising awareness of Neurodiversity within our workplace, the benefits that come with the alternative thinking and processing individuals possess and also the benefits to our company of making good use of these strengths. The ND stand which we have had in our reception area has also helped me be braver and improve my ability to talk to strangers which is something I've struggled with in the past when I've been required to come out of my comfort zone.

I am passionate about equality issues such as Neurodiversity and Health & Safety. I have found it useful to link my ND awareness training with my work as TSSA H&S Rep in my understanding of how the work environment affects us all, whether neurodiverse or not, and have striven to use that to make improvements to lighting, security door access and currently ongoing air conditioning and noise.

What I would like to continue my role as Rep within York ROC. I hope to expand my awareness into the LBGT+ aspect of the role and make further progress with my colleagues leading to a better understanding of all aspects of Equality and a workplace for all.

Please nominate and support me to become a TSSA Equality Rep!
