2021 Conference: FAQ, Skeleton Programme, Test sessions

Please find attached two documents: TSSA Conference 2021 Online Conference - Frequently Asked Questions and TSSA 2021 annual conference skeleton programme.

I also write to advise branches that to aid the smooth running of our 2021 annual conference we are holding two test sessions in which delegates will get the opportunity to see the conference voting system, 'Change Lab Democracy'. This will also be an opportunity for the SOC and Head Office sort out any issues raised in advance of the conference.

The test will be an opportunity for delegates to get used to voting for or against a particular motion.

We are running sessions on:

Monday 17th May - 1pm-2pm
Monday 24th May - 5pm-6pm

Delegates should book on to ONE test session by e-mailing Will Boisseau at supportservices@tssa.org.uk

Branches should encourage their delegates to attend a test session.

More details about the sessions will be sent to participants once they have signed up.

Regards
Support Services
