

# OUR RAIL OUR FUTURE

## YOUR TICKET OFFICES

# KEEP THEM OPEN

**Your train operator is planning on shutting down ticket offices!** However, before this can happen, they are obligated to hear the views of their passengers. You have until **Friday, September 1st**, to express your opinion.

These proposed changes will impact in some of the following ways:

- No longer being able to secure the best fare for your journey.
- Removing the support many people need, particularly for those with disabilities or learning challenges.
- Potentially put the health and safety of the public at risk with many additional unstaffed stations.

The closure of your local ticket office would almost certainly be permanent, with thousands of jobs now at risk. If you value the services of your ticket office, it's time to voice your concern now.

## KEEP THEM OPEN!

Have your say. Scan the QR code below to take part in the public consultation. It's really simple.
