

OUR RAIL OUR FUTURE

YOUR TICKET OFFICES

KEEP THEM OPEN

Your Ticket Offices could close...

Your Train Operating Company is closing ticket offices. They have to consult with passengers first. You have until **Wednesday 26th July** to let them know what you think.

Your ticket office could close for good. Thousands of jobs are being cut across the UK. If you want to keep your ticket office, you need to speak up now.

These proposals could mean that you don't get the best deals on tickets and you don't get the help you need, especially those with disabilities or learning difficulties.

KEEP THEM OPEN!

Have your say. Scan the QR code below to take part in the public consultation. It's really simple.
